Enclosure

cc: Mr. Jack Parliament, President, D&I Railroad Company

BEFORE THE
SURFACE TRANSPORTATION BOARD

FINANCE DOCKET NO. 29910 (Sub-No. 1)

D & I RAILROAD COMPANY --
NOTICE OF INTERIM TRAIL USE AND
TERMINATION OF MODIFIED RAIL CERTIFICATE

**JOINT MOTION TO EXTEND TIME TO
NEGOTIATE INTERIM TRAIL USE AGREEMENT**

On September 14, 2004, D&I Railroad Company ("D&I") filed with the Board a Notice of Intent to Terminate Service under a Modified Certificate over a rail line extending 1.38 miles between milepost 70.1 (near East 11th Street) and milepost 71.48 (East Junction) in Sioux Falls, South Dakota. On that same date, the South Dakota Department of Transportation ("SDDOT") filed a Request for Issuance of a Notice of Interim Trail Use ("NITU") under the National Trails System Act, 16 U.S.C. 1247(d), for the rail line.

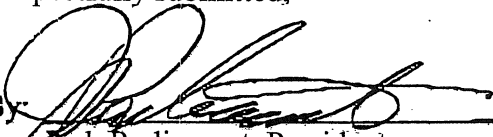

The Board issued a NITU under 16 U.S.C. 1247(d), which was served on October 6, 2004, allowing D&I until April 4, 2005, to negotiate a interim trail use/rail banking agreement with SDDOT.

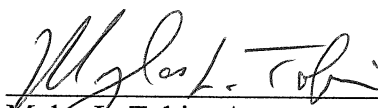

On March 28, 2005, D&I and SDDOT filed with the Board a Joint Motion To Extend Time To Negotiate Interim Trail Use Agreement requesting an extension of 180 days, until October 1, 2005. The Board granted this request in its April 4, 2005 decision.

Negotiations are currently continuing in good faith between D&I and SDDOT. However, more time is needed to finalize negotiations. Both parties are agreeable to a further extension of time to continue negotiations under the NITU condition.

D&I and SDDOT request that the period prescribed to negotiate an interim trail use/rail banking agreement for the rail corridor between milepost 70.1 and milepost 71.48 in Sioux Falls, South Dakota be extended for an additional 180 days.

Respectfully submitted,
